\*A **master student** is a student who lives in Belgium for the duration of the master programme for which he/she is registered at Hasselt University (incl. preparation programme). A master student obtains a diploma from Hasselt University after completing the master programme and has his/her main registration at Hasselt University.

\*\*An **exchange student** is a student who lives temporarily in Belgium and attends courses/is doing an internship at Hasselt University. An exchange student does not get a diploma from Hasselt University and has his/her main registration at his/her home university.
